NOTES

- The square and linear shapes of Iago combine in perfect harmony with the softness of the padding and give it a pleasantly surprising appearance.
- The particularly low seating offers comfort and aesthetic appeal.
- Beauty meets innovation in this sofa: in fact the recline system ensures maximum comfort with the adjustable footrest and headrest, adaptable to your individual needs.
- The exceptionally crafted "pinched" seams frame the padding and set off the coverings. Thanks to these features Iago is an exceptional sofa ideal for enhancing living and family rooms.
- To allow modularity, the single elements can be put together thanks to the rubber stops under the legs.
- Available with Soft Touch mechanism that changes the seat and back cushion position with a simple tap.
- The model has internal soft touch buttons on the arm to activate the mechanism.
- Model has power combined headrest. ATTENTION! The headrest opens first followed by the footrest; then the headrest has one final extra rotation for comfortable TV watching position.
- Stationary versions have manually adjustable headrests.
- Thanks to ZeroWall mechanism, seat and back cushions can be reclined at a great length without moving sofa away from the wall.
- Seat cushion includes a layer of memory foam, a pressure-sensitive soft polyurethane, that recovers its form completely thus giving great comfort.
- Second option version corner 489 has both headrests adjustable.
